### July Volunteer of the Month

The Helpline Center congratulates Julie Schnaible on being named the July 2018 Volunteer of the Month, an area-wide award program sponsored by the Helpline Center and MetaBank. Julie is a weekly volunteer at Habitat for Humanity's ReStore. Assisting customers in the store, stocking shelves, answering phones and customer service are just a few of the many tasks Julie helps with.

Habitat for Humanity Staff said: "Julie's kind, creative disposition makes her an incredible volunteer at our Habitat ReStore. Her passion for refurbishing and restoring old furniture into beautiful functional pieces of art, as well as her sense of interior design helps our customers find comfort in their shopping experience with us!"

Julie also spends many hours transforming her own furniture pieces she finds at the Restore. She has donated many pieces of furniture and art work, she has created, to the Habitat for Humanity Annual ReStore Art Auction. The pieces sold at the Art Auction raise funds towards helping with Habitat for Humanity home builds for those less fortunate. Habitat is known for their home build program, which you will occasionally see Julie volunteering on as well.

Julie has been volunteering with Habitat for Humanity since 2016. Julie is a hard working volunteer and a great member of the Habitat Team. Her willingness to jump in and help fill an empty spot or helping on any project truly shows how committed she is to the Habitat for Humanity mission.

The Helpline Center and MetaBank are pleased to present Julie with a framed certificate, a gift from MetaBank and a letter of appreciation. We will honor Julie again at the Spirit of Volunteerism Awards Luncheon on May 9, 2019.
