November Volunteer of the Month Celebrated

The Helpline Center congratulates Sherri Goebel on being named the November 2017 Volunteer of the Month, an area-wide award program sponsored by the Helpline Center and MetaBank.

Sherri Goebel is one of the flagship members of the Husby Performing Arts Center Usher Team at the Washington Pavilion. As a volunteer usher beginning her ninth season of performances, Sherri is no stranger to scanning and taking tickets, handing out programs, directing patrons to their seats, and offering assistance in all its forms all the while being a warm, welcoming presence for patrons.

Sherri has volunteered at the Pavilion since September of 2009 and has served over 800 hours during her tenure. She averages nearly 30 hours of service per month during busy periods in the performance season schedule.

Only the truly outstanding volunteers work proactively and perpetually strive for excellence in their work. Gina Ruhberg, Director of the Husby Performing Arts Center, said that Sherri, "...consistently strives to better our volunteer program and foresee each patron's next request. Never one to sit by and wait to be asked, Sherri is always right there addressing any concerns staff or patrons may have." Similarly, TJ Polzin, Assistant Manager of the Pavilion's Husby Performing Arts Center, said this in support of Sherri and her work: "Sherri is someone that never stops surprising you with all the thoughtful gestures and amount of help she provides to anyone in need."

The Helpline Center and MetaBank are pleased to present Sherri with a framed certificate, a gift from MetaBank and a letter of appreciation from Mayor Huether. We will honor Sherri again at the Spirit of Volunteerism Awards banquet on May 10, 2018.
