RAPID CITY - The Helpline Center and Black Hills Urgent Care are pleased to announce that Larry and Brenda Boenisch have been named the February 2020 Volunteers of the Month. Larry and Brenda were nominated by Youth and Family Services. The Volunteer of the Month program is sponsored by the Helpline Center and Black Hills Urgent Care, a division of Black Hills Surgical Hospital. Volunteer of the Month recognizes outstanding individuals who make the community stronger through volunteerism.

Brenda and Larry are an amazing couple that faithfully give of their time each week at Youth & Family Services. They have been giving of their time for 2 years by weekly coming to YFS to sort donations. Each of them possess a compassionate heart to help those less fortunate and strive to give a hand-up to others. They love seeing families come in and full well knowing that the families are blessed through the gift of clothing and household goods.

Larry and Brenda are dedicated to faithfully coming in each week. They have developed systems and organization that helps families easily find the clothing needed for their families. Brenda and Larry each have a positive attitude and are an inspiration to everyone their meeting; from the families to the staff. They treat everyone with respect and dignity. They hold up others with honor.

Larry and Brenda have a kind caring spirit with an eagerness to give of themselves to help others. Darcie Decker exclaims, "Youth and Family services is so fortunate to have Larry and Brenda helping at Youth & Family Services. Larry and Brenda are a terrific couple that hold to the truth of building up others and inspiring others through word and deed. We are grateful for their dedication, their gift of time and their willingness to do some many different activities in order to benefit children and families that YFS serves."

Helpline Center and Black Hills Urgent Care presented Larry and Brenda with a framed certificate and Helpline Center t-shirt, and gifts from Black Hills Urgent Care.
