May Volunteer of the Month**

RAPID CITY - The Helpline Center and Black Hills Urgent Care are pleased to announce that Lisa Castor has been named the May 2020 Volunteer of the Month. Lisa was nominated by Post 22.

The Volunteer of the Month program is sponsored by the Helpline Center and Black Hills Urgent Care, a division of Black Hills Surgical Hospital. Volunteer of the Month recognizes outstanding individuals who make the community stronger through volunteerism.

Lisa has been a longtime fan of Post 22, and a volunteer for 11 years with Post 22. Lisa helps Kathy and Shelly during the busiest and most important time of the season of parent fundraising by organizing parent packets, dispersing season tickets, collecting season ticket money from parents and entering data in our system to help track sales.

During the season she volunteers at the front gate or ticket booth. She greets fans with a smile and is always sporting her baseball gear. Whenever Post 22 needs help with organizing an event, tournament or just need extra hands, Lisa is always there to help.

Lisa also helps with the open and close duties at the ticket booth. Organizing the parents that volunteer for that game, counting money, running the 50/50 sales and creating the deposit at the end of the night.
