RAPID CITY - The Helpline Center and Black Hills Urgent Care are pleased to announce that Sandie Enger has been named the November 2019 Volunteer of the Month. Sandie was nominated by Black Hills Works and Rapid City Storm Special Olympics.

The Volunteer of the Month program is sponsored by the Helpline Center and Black Hills Urgent Care, a division of Black Hills Surgical Hospital. Volunteer of the Month recognizes outstanding individuals who make the community stronger through volunteerism.

Sandie has been volunteering for Black Hills Works/Rapid City Storm Special Olympics for 4 years. She helps in a variety of capacities throughout the year, supporting out of town events, coordinating fundraisers, helping to promote events, helping to recruit more volunteers, and on and on. She has proven to be invaluable to the endeavors at Black Hills Works. Sandie has been performing as a volunteer bocce partner for an upcoming competition for one of the Special Olympics athletes.

Sandie has gone above and beyond to help promote a variety of Special Olympic events and fundraisers through her connections at her workplace, Duhamel Broadcasting, by finding times for representatives from Rapid City Storm to go on the air to speak. Lastly, she is organizing a fundraiser---on her own---to benefit the Special Olympics program at Black Hills Works. She has proven to be working above and beyond the expectations of a typical volunteer!

Helpline Center and Black Hills Urgent Care presented Sandie with a framed certificate and Helpline Center T-shirt, gifts from Black Hills Urgent Care and a letter of appreciation from Rapid City Mayor Steve Allender. The Helpline Center will also recognize Sandie at the Spirit of Volunteerism Awards luncheon on Tuesday, May 19, 2020, at the Best Western Ramkota Hotel and Convention Center.
