Do It Yourself Projects

Creating care packs that can be used for women and teen girls that are in need of basic, feminine care in our community. It is an easy and creative DIY project for groups, individuals, and families! These care packs are a way to make a woman in our area feel cared for during difficult and stressful times in their life.

WHAT TO DO:

1. Make List of Items to Purchase (dollar store or local retail center)
2. Start with a cosmetic bag or Ziploc bag
3. Pack bag, by assembly line or per person
4. Add a note or card with a positive message
