

Litter Clean-Up

Cleaning up a park, neighborhood or around businesses improves the overall look and well-being for that area. Litter clean up is a simple volunteer opportunity with minimum materials needed.

Do It Yourself Projects

Supply Ideas

- 1) A location
- 2) Trash bags
- 3) Gloves
- 4) Collection spot for bags

POSSIBLE ITEMS

- 1) Sun protection (hats, sunscreen, sunglasses)

Supply Ideas

- 1) Find a location that needs to be cleaned up: Check with your local city and/or county government or park department for a location
- 2) Clean up more by spreading out or breaking up into teams
- 3) Pick up litter, trash and put in trash bag
- 4) After a bag is full, place in designated collection area

ADDITIONAL IDEAS:

- If there is the man power and resources, separate garbage from recyclables
