

Summer Fun Kit

Do It Yourself Projects

Create a fun *Summer Activity Bucket* for kids. Create these fun buckets to hand out at local food pantry or shelters. Give to churches to hand out or summer food programs to hand out to kids who visit. You can also create these for your own family members or the neighborhood kids!

WHAT TO DO:

- 1) Collect all your items—dollar store or thrift stores are a great place to start.
- 2) Use small plastic bin or sand bucket to place all items neatly inside.
- 3) Decorate & Label bin with fun kid colors, stickers, etc!

Delivery

Once completed, the projects can be dropped off or mailed to area nonprofits. If you need information on what agencies will accept the projects, please contact the Helpline Center by calling 211 or email vol@helplinecenter.org.

More information can be found at www.helplinecenter.org/diy.

Share your Experience!

Post your photos of your completed projects via our social media pages!
