

Hygiene Kits

Keeping clean is an important part of remaining healthy, unfortunately many homeless and less fortunate in our community often struggle to afford these necessary supplies.

Do It Yourself Projects

WHAT TO DO:

- 1) Collect supplies
- 2) Find a box or bag to put them in (quart or gallon zip lock bags work well)
- 3) Fill with hygiene items
- 4) Add a cheerful or encouraging note

Delivery

Once completed, the projects can be dropped off or mailed to area nonprofits. If you need information on what agencies will accept the projects, please contact the Helpline Center by calling 211 or email vol@helplinecenter.org.

More information can be found at www.helplinecenter.org/diy.
