Eligibility: Enrolled Tribal Members 12 years of age and older; degree of Indian blood or Tribal Enrollment number required.
A comprehensive substance abuse program offering addiction prevention, treatment, and recovery support services for adolescents and adults experiencing problems with alcohol and drugs. Traditional concepts of health among many American Indian families within the Pine Ridge Tribal Lands involve the intersection of physical, mental, and spiritual wellbeing, which are all seen as inextricably linked. Therefore, ALO uses a comprehensive approach for behavioral health programming, which is guided by traditional Lakota values (ie. wacatognaka (generosity), woohitika (courage), wowacitaka (perseverance), waoholaka (respect), wausila (compassion), and woksape (wisdom)). Alcohol and Substance Abuse Services include: Alcohol and Drug Evaluation/Assessments (Phone assessments by appointment): Provides alcohol and substance abuse diagnostic services to determine the presence of alcohol and substance abuse disorders. Results from client assessment are used to arrange treatment, recovery support, and other social services that are administered within the Tribe and external agencies. Call to set up an appointment Outpatient Treatment: Provides intervention for individuals and families burdened with alcohol and substance abuse disorders. Provides group and individual counseling as well as education on a wide variety of topics. When implemented in a group setting, Outpatient Treatment works toward creating an environment of positive peer culture where clients learn from each other's experiences and work together to develop solutions to common problems. Outpatient Treatment is tied to each client's individual treatment/success plan, which facilitates the development of new life skills necessary to eliminate alcoholism, substance abuse, and other destructive behavior. Outpatient Treatment Groups (more than 3 groups active online) Youth Group (2 active groups at 5:00pm on Thursdays) Day Treatment: Provides intensive alcohol and drug treatment for 5 - 7 hours per day for several days a week. Day treatment programming that serves inmates in the Adult Offender Facility (AOF) in Pine Ridge, SD. The duration of client participation is dependent upon the specific evidence based curriculum being used to guide day treatment programming. Primary Residential Treatment: Facilitates the rehabilitation of an alcohol/substance abuse user by placing the client in a highly structured therapeutic environment that is short-term ranging from 30 to 60 days. Provides diagnostic services, group and individual counseling, alcohol and drug abuse education. Assists the client cultivate psychological self-awareness and positive self-esteem, healthy decision making skills, coping strategies, and attitudes of civic/community responsibility. Eligibility: Enrolled Tribal Members 12 years of age and older; degree of Indian blood or Tribal Enrollment number required.
A comprehensive substance abuse program offering addiction prevention, treatment, and recovery support services for adolescents and adults experiencing problems with alcohol and drugs. Traditional concepts of health among many American Indian families within the Pine Ridge Tribal Lands involve the intersection of physical, mental, and spiritual wellbeing, which are all seen as inextricably linked. Therefore, ALO uses a comprehensive approach for behavioral health programming, which is guided by traditional Lakota values (i.e. waca'tognaka (generosity), woohitika (courage), wowaci'ta'ka (perseverance), waoholaka (respect), wau'sila (compassion), and woksape (wisdom). Prevention services include: Prevention: Aims to delay the initiation and/or progression ATODs. Prevention initiatives can be implemented at the population level as well as within the small group setting. Aneptu Luta Oti's strategy for prevention includes: 1. Developing the capacity of prevention stakeholders to plan and implement evidence based prevention practices; 2. Promote policies that promote the health of the public and restrict access to ATODs; 3. Health promotion/disease prevention through social Marking and health communication; and 4. Facilitation of cultural-based alcohol and drug free events that communicate public health messages. Early Intervention: Aims to curb at risk behavior (I.E. binge drinking) that has not yet become a disorder (I.E. alcoholism). Early Intervention services are delivered in groups or one-on-one with clients. Early Intervention links the client with both internal and/or external resources that are the most appropriate for his/her situation. Offers 2 types of early interventions: South Dakota's DUI First Program, provides 12 hours of education to individuals who have been convicted of a first offense DUI/DWI. Provides youth diversion for infractions and/or misdemeanors related to alcohol and substance abuse.
