

# Opioid Care Coordination Intake

The Helpline Center is providing Opioid Care Coordination to assist individuals by advocating, connecting and supporting their recovery process.

Opioid Care Coordination will:

1. Assist individuals with connection to initial assessments for treatment, treatment options, counseling and social supports.
2. Provide supportive phone calls.
3. Assist individuals with barriers to wellness; i.e. housing, transportation, employment.
4. Assess individuals for mental health and risk factors for self-harm or suicide.

If an individual or yourself may benefit from Opioid Care Coordination, please complete this form and the Opioid Care Coordinator will follow up. Complete the form below and either fax to 605-274-1405 or email to the Opioid Care Coordinator at [ops@helplinecenter.org](mailto:ops@helplinecenter.org).
